If Claude-sama and Oscar-sama were not here...
...I would be completely alone...

!
...AND STAIRS THAT GO DOWN INTO THE BASEMENT?
THIS PLACE... IT IS SO WARM...
WAH..!
WHERE IS THIS?
AN UNDERGROUND PASSAGE..?
WHERE DOES IT LEAD TO..?
Your reason for coming
Why did you want to come here?

It is not possible for me to answer you right away.
I cannot really put into words what it is that I truly desire...

There is nothing I really want to do...

Though if I chase after it, it simply escapes from me.
Of course, there is also no way for me not to have a reason...

Just who
am I?

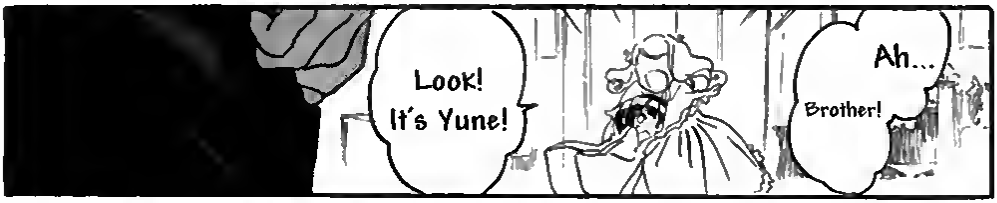
In Japan... I never had this unsettling thought...
I want other people to understand, but I do not understand it myself...

...is far, far away across this wide sea...
I have discovered that apart from me, the rest of your family...
SISTER ...
I have to get back...!
...What do I do..? I cannot see a single thing...
Where is this..?
.....
SOME-BODY, HELP...
.....
I can't reach...
It feels like... it is getting hard to breathe...

WHERE AM I..?
.....
.....
I FEEL LIKE... I HAVE BEEN IN HERE BEFORE...
.....!

Yune..?
Y-
You came out from that picture..?
Yune...
THEN THIS IS..!
A-ALICE-SAMA?!
!!

YOU SUDDENLY APPEARED IN MY HOUSE AFTER I WOKE THIS MORNING!
THIS IS AMAZING! YOU MUST BE A SPIRIT FROM A FAIRY TALE KINGDOM!
Ah...



Look! It's Yune!
Ah... Brother!

...YUNE'S MISSING...
I CAN'T FIND HER ANYWHERE
